

## Volunteer Opportunity

Aging and Disability Resource Center (ADRC)

Volunteers Needed

Aging and Disability Resource Center and Senior Medicare Patrol volunteers make a difference.

Did you know that there is over 2.4 million dollars of fraud perpetrated every hour in the Medicare system? You will be provided with the education and tools to understand Medicare, supplemental insurance and Maine Care benefits so you can help people in your community reduce these fraudulent activities.

Why is this important? Medicare premiums and the cost of services and supplies increase as fraud grows. By becoming an ADRC or SMP volunteer, you will be part of a national movement to reduce health care costs and improve Medicare.

### Duties May Include:

- Meet and greet people at a Medicare enrollment event
  - Assist staff at a presentation
  - Set-up and registration assistance
  - Lead a Medicare education session
  - Counsel consumers one on one
- Provide a Fraud presentation in your community

To join our team and volunteer to make a difference in your community, please contact the ADRC/SMP volunteer coordinator at [www.spectrumgenerations.org](http://www.spectrumgenerations.org) or by calling 1-800-639-1553 (TTY 1-800-464-8704)
